YARD SALE YARD SALE YARD SALE YARD SALE YARD SALE

The 11th Annual Asotin Days Community Yard Sale is a non-profit Asotin Days Event that invites the community members to plan their Yard Sales on the same day every year in hopes of drawing in a larger buying crowd from the surrounding area. Members of the Asotin community and the surrounding area pay a \$5 fee to have their Yard Sale location and name put on yard sale map. If you don't live in Asotin, don't worry, you can buy a \$5 space at Chief Looking Glass Park. The maps tend to be a hot commodity and can be found at City Hall and other local businesses the day before the sale. They are also available at all of the individual Yard Sale Locations and at the LIONS breakfast Saturday morning. Get your kids involved sell toys, clothes, and sports equipment!! Prizes will be delivered to kids who participate. Please contact Tina Davidson on or before August 9th at 509-243-4411 or deputyclark@cityofasotin.org.
