Any relevant evidence shall be admitted if it possesses probative value commonly accepted by reasonable prudent men in the conduct of their affairs, but the Commission may exclude incompetent, irrelevant, immaterial, and unduly repetitious evidence. Hearsay evidence may be admitted for any purpose but shall not be sufficient in itself to support a finding unless it would be admissible over objection in civil actions. The rules of privilege and of official or judicial notice shall be effective to the same extent as in civil actions. Oral evidence shall be taken only under oath or affirmation. Only the evidence presented at the hearing will be considered in determining on appeal.

Section 8. Testimony of Petitioner. The petitioner may be required to testify and may be cross-examined as to any matter relevant to the hearing.

Section 9. Burden of Proof. The Appointing Authority shall have the burden of showing by material and substantial evidence in view of the entire record at the hearing that the employee was suspended, terminated, or reduced in rank for cause.

Section 10. Transcripts of Hearings. A stenographic reporter shall be provided by the Commission to make an official transcript of the hearing. Copies of the transcript shall be available from the reporter; however, except in the case of judicial review, they shall not be provided at the expense of the Commission.
Section 11. Decision of the Commission. Decisions of the Commission shall be accompanied by the findings of fact and conclusions of the Commission and shall be rendered in writing within five (5) working days after the conclusion of the hearing. When an appeal is not heard by the full Commission, the individual or group of individuals hearing the appeal shall file with the Commission within three (3) working days after the hearing, findings of fact, conclusions, and a recommended decision for the Commission’s consideration. Within two (2) days thereafter, the Commission shall, at regular or special meeting, announce its decision. The decision shall be considered final for purposes of review, except as otherwise provided in Sections 12 and 13 below.

Section 12. Petition for Reconsideration. In an appeal heard by less than a quorum of the Commission, any person aggrieved by any resultant decision of the Commission may file a petition for reconsideration with the Commission. Such petition shall be filed within fifteen (15) calendar days of the date of issuance of the Commission’s decision and shall be accompanied by a transcript of the hearing which shall be furnished by the petitioner at his sole cost and expense. The petition shall contain all of the petitioner’s arguments for reconsideration, and copies of the petition shall be served by certified mail, return receipt requested, upon all parties to the hearing. Upon receipt of the petition and transcript, the Commission shall upon ten (10) days calendar notice of the petitioner, and to all parties to the appeal hold a regular or special meeting at which the Commission shall consider the petition and written arguments of all parties submitting the same to the Commission, and shall determine whether to reconsider its decision. If the Commission determines not to reconsider its decision, its decision not to reconsider shall be deemed its final decision for purposes of judicial review. If the Commission decides to reconsider its decision, it shall, at the meeting at which such decision is made, enter findings of fact, conclusions, and its final decision, which for purposes of judicial review shall be deemed to be the final decision of the Commission.

Section 13. Petition for Judicial Review. Any person aggrieved by any final decision of the Commission may file for review in an appropriate court of law. Such petition shall be filed within 30 calendar days of the date of issuance of the Commission’s final decision. If the petition is granted, the court shall hear the matter without jury, on the record of the hearing and briefs of the parties.
RULE XI

The Civil Service Commission shall make investigations as deemed necessary to insure that the intent of Ch. 41.12 RCW and these rules and regulations is being adhered to. Further, he shall allocate every position in the classified services to one of the classes established in the plan. The classification plan so developed shall be transmitted to the Civil Service Commission for approval. Thereafter the class titles so established shall be used in all personnel, budget, accounting and other financial documents and communications of the city. Additional classes may be established, and existing classes may be divided, combined, or abolished in the same manner as originally adopted.

Section 3. Military Lease. Military leaves of absence shall be granted by the Commission in accordance with the provisions of the applicable chapters of Revised Code of Washington. (RCW 38.40.060)

Section 4. Expiration or Termination of Leaves of Absence. The Commission may terminate any leave of absence by written notice to the employee concerned whenever the conditions require such action. The employee shall then be required to return to duty forthwith. The employee shall be returned to the same class or position as he occupied when leave of absence was granted or he may be returned to such other position as may be authorized by the Commission. An employee who fails to return to duty upon termination or expiration of leave shall be considered as absent without leave and subject to disciplinary action.

RULE XIV

TRANSFERS, LAY-OFFS, AND REDUCTIONS IN FORCE

Section 1. Transfers. Transfers are allowable and do not require an examination when they are from one position to another position within the same or comparable class. The transfer of an employee from a position in a class with a lower maximum rate of pay to a position in a class with a higher maximum rate of pay shall be deemed a promotion and may be accomplished only in the manner provided in these rules and regulations for making promotional appointments. A transfer of an employee from a position in a class with a higher maximum rate of pay to a position with a lower maximum rate of pay shall be deemed a reduction in rank and may be accomplished only in the manner provided in these rules and regulations.

Section 2. Lay-offs and Reductions in Force. Whenever the Appointing Authority contemplates a reduction of staff because of shortage of funds, lack of work, or reorganization, a notice thereof shall be sent by the Appointing Authority to the Secretary/Chief Examiner. When it is determined which positions are to be abandoned, employees holding positions within that class shall be laid off in opposite order to their length of service. A permanent employee may elect a voluntary demotion to his or her previous rank in the department in lieu of lay-off, and if no vacancy exists one will be created by removing the least senior incumbent from said rank. Any complaint by a permanent employee that a lay-off was made in bad faith shall be investigated by the Civil Service Commission. If the Commission finds that a lay-off was not made in accordance with these rules
and regulations, it may order the reinstatement of the permanent employee or employees. Notice of lay-off shall be given the employee concerned and the Secretary/Chief Examiner at least four (4) weeks before the effective date thereof. Permanent employees laid off shall have their names placed on the eligible list of the class to which their position was allocated in accordance with these rules and regulations.

RULE XV

The Appointing Authority may make or cause to be made such investigation as deems warranted, for the purpose of verifying reasons for each resignation. An employee's resignation and the circumstances pertinent to it shall be recorded in his personnel file.

Section 2. Examination Records. The Secretary/Chief Examiner shall maintain examination records on each employee in the classified service. Such records shall include the date and title of the examinations, ratings earned, and the grade obtained.

Section 3. Access to Departmental Records. The Secretary/Chief Examiner shall have access to all departmental records, the examination of which will aid him in the discharge of his duties.
